### **RECAST Inclusiveness Target Countries Conference Grants**

Grant Period 2 (1 May 2018 to 30 April 2019)

#### *General Presentation*

COST Action 16211 *Reappraising Intellectual Debates on Civic Rights and Democracy in Europe* (RECAST) operates through a series of Networking Tools (<https://www.uma.es/costactionrecast/info/110332/networking-tools>), being the Inclusiveness Target Countries Conference Grants (ITCCG) one of its mobility resources. They complement other forms of cooperation within the COST Action by supporting international mobility of Action members. They are “aimed at supporting ECI and PhD students from Participating ITC to attend international science and technology related conferences on the topic of the Action that are not organised by the COST Action.” (COST *Vademecum*, May 2018 edition, section 9)

For Grant Period 2, running from 1 May 2018 to 30 April 2019, the Management Committee has agreed to allocate in principle 6 000 euros to be distributed in four grants of up to 1 500 euros each – they are meant for the co-sponsored activity of the History of Concepts Group 21st International Conference on Interdisciplinarity: Conceptual Explorations, University of Málaga, 25–28 September 2018 (<https://www.uma.es/21st-international-conference-history-concepts>)

This initial budget increased through June and October to the amount of 13 500 euros.
