Open Educational Resources for the Development of Arts and Crafts

2015-2017

◇ Programme: Erasmus+

◇ Action / Sub-Action / Sector: E+ / KA2 / SP / VET
[KA203]

◇ Geographical Area: Programme Countries

◇ Thematic field(s): Arts, Crafts, VET, Good Practices,
OER, ICT

OER-CRAFT aims at the creation of an online OER ("Open Educational Resources") platform including a collection of good practices, procedures and advice aimed at promoting the creation of micro-enterprises (including those of only one person) in the fields of hand-made arts/crafts (eg. textiles, ceramics, jewellery, etc.), focused on current and future entrepreneurs from rural areas of any region at any of the participating EU countries, who often lack the tools and advice necessary to start their own business and fully develop their untapped potential, and thereby to promote and market their own products and/or services not only at regional and/or local level, but also at national/EU levels and even internationally.
