Remote programme

IMPORTANT - We intend to hold this summer programme on-campus. However, we are aware that the current health situation could still have an impact on mobility by June. In case you're admitted and you couldn't be authorized to travel, we are considering to switch to a remote programme. In this case, you will be informed at the beginning of May. **Would you be interested to attend the remote programme ?**

Yes No

Please note that the remote programme cannot include visits of companies and cultural outings but alternative online activities will be proposed. The cost will also be reviewed accordingly.
