### Short bio

María Rubio-Misas is an Associate Professor of Financial Economics and Accounting (Accredited as a Full Professor granted by ANECA in 2024) at the Finance and Accounting Department of the University of Malaga (UMA). She completed her doctorate in Economics and Business at the aforementioned university and **coordinated** the PhD Program in Economics and Business at the UMA from 2015 until 2019.

Her **main research field** is in insurance firms, where she basically analyzes issues of finance and industrial economics. She has carried out **international stays** at different centers such as Imperial College London (UK), Wharton School of the University of Pennsylvania (USA) and the New Jersey Institute of Technology (USA). Her work is presented in the main **scientific forums** of the sector (American Risk and Insurance Association Meetings, European Group on Risk and Insurance Seminars, Asia-Pacific Risk and Insurance Association Meetings among others) as well as in reputed finance conferences.

Her research has been published in prestigious national and international **journals**, among which the *Journal of Money, Credit and Banking*, *Journal of Banking and Finance* and *Journal of Financial Stability* stand out.

To carry out her research, she fundamentally relies on **funds** from projects of the National Research Plan although she has also been backed up with funds that correspond to projects financed by other public and private institutions. She has received **awards** and honors, including the Research accésit Antonio Dionis Soler 2020 award from the *Fundación de Estudios Financieros* and the 2023 Emerald outstanding paper published in the International Journal of Bank Marketing.

She has been the **program chair** and organizer chair of the 30th AEFIN Finance Forum, a **board member** of the Spanish Finance Association and the **local organizer** of the 50th EGRIE Seminar. She has participated in different **committees** of the American Risk and Insurance Association and other scientific committees at international conferences. She is an **editorial board member** of the Spanish Journal of Finance and Accounting.
