## 1. Introduction.

### An introduction to UMA.

University of Malaga is a young institution, founded in 1972. With more than 35,000 students and 2,400 teachers, UMA's study options comprise 60 Bachelor's programs, over 50 Master's programs, over 40 PhD programs, and around 100 courses held throughout the academic year. These programs are carried out by 18 faculties, with a total of 81 departments. There are 278 research groups currently involved in 180 national projects and 30 international or European projects. In recent years, the number of partnerships with companies and other organizations has ranged between 350 and 400; furthermore, an average of 50 patents per year have been registered, a third of these having international relevance. Each year our university welcomes over 1300 new international exchange students from different mobility programs as Erasmus+, Erasmus Mundus or Non-European programs. We have a large amount of agreements with some of the most prestigious universities (especially in Europe and South America). UMA constitutes one of the three vertices of the so-called "productive triangle" of the city, together with the airport and the PTA or Parque Tecnológico de Andalucía (Andalusia Science and Technology Park). The latter has close ties with the University due to the constant flow of ideas, highly qualified professionals and advanced technologies. At present the UMA has two campuses, El Ejido and Teatinos, in addition to several other buildings located in different parts of the city.

### Arrival in Malaga.

#### Airport

For students arriving at the international airport "Pablo Ruiz Picasso" (only 12 Km from MALAGA), there are three ways for travelling into town:

- A taxi costs between 15/22 € and takes roughly 15 minutes to reach the city centre. The rank is located directly outside the arrivals terminal.
- There is a bus into town every 30 minutes, line A. A ticket costs 3.00 €. The stop is located directly outside the arrivals terminal.
- Trains leave the station connected by a pedestrian walkway to the departure terminal every 30 minutes, and a ticket to MALAGA costs 1.80 €. Students are advised to carry some cash on them when they arrive in Malaga (50 € ought to be enough). Additionally, buses do not accept anything larger than 5.00 € bills.

#### Railway

The Malaga-Maria Zambrano Railway Station connects the city to the capital of Spain through the High-Speed line (AVE) Malaga-Córdoba-Madrid in a two-hour and a half journey. The Malaga-Cordoba-Seville route takes 1 hour and 55 minutes. Furthermore, the railway network connects the capital to other areas in Malaga located on the Costa del Sol, Valle del Guadalhorce, and the Airport through Malaga's regional lines.

#### Bus Station

Malaga's Bus Station establishes connections between the capital, Malaga's municipalities, and the main Spanish and European cities. In addition, there is a Bus Station in Muelle Heredia, at the city centre near Malaga's Port, which connects to several localities of the metropolitan area.

## 8. Transcript of records.

### Where are the grades sent to?

The Transcript of Records is a document, which contains all the information about your grades and (ECTS) credits obtained. The Transcript of Records will be upload in digital format (pdf) with the electronic signature of the General Secretary of the Universidad de Malaga through our online Nomination Tool with intent to accelerate our procedure and provide access to this document. It is an original document with oficial validity. Therefore, our institution will not issue the printed version of this document by post.

International Offices of sending institutions have already access to our Nomination Tool. Therefore, after the dates mentioned above, home universities will be able to download from our online platform the Transcript of Records. Students will not have access to that platform.

### When will the Transcript of Records be sent?

- First half: From 15th April 2018
- Second half and full year: From 25th July 2018

### What can I do if I need the grades before the aforementioned dates?

The students who need the grades before the previous dates have two options:

1. Check your grades on EMI. Once the International Office receives a recorded grade sheet from the professors, we upload the grades on EMI so you can check and head to the professor if you disagree with the grade earned.

It is advisable to keep the contact information of your professors in case of complaints.

The document can be printed out and show it in your home university awaiting the official "Transcript of Records".

2. Ask your professors to give you a grade report. It is up to the professor to give it to you and in any case it is not an official document.

### Why are the credits of the Spanish Language Course not included?

You will obtain a certificate with 7 credits for the Spanish Language Course at CIE (International Center of Spanish Language), but it will NOT be included in the Transcript of Records since the course DOES NOT belongs to any official degree program at UMA. The recognition of these credits depends on the home university criteria

## 9. Academic Information.

### Academic Calendar 2019/2020

This information will be available in June 2019. Here you can find the official academic calendar 2018/2019:

<https://www.uma.es/SECRETARIAGENERAL/secgenfiles/calendario1819.jpg>

### Spanish Language Course for International Exchange Students

The “Course for Erasmus and International Exchange Students” of UMA, 70 class hours, allows students to consolidate and acquire Spanish skills, in order to improve understanding of the subjects that they will be studying at UMA. This course is recognized as a non-official degree from UMA and it always starts at the beginning of September (first semester and full year students) and beginning of February (second semester students). It is voluntary and you can only enroll in one of the two periods. In this regard it is important to emphasize that, as a non-official degree, it grants ECTS credits. Please, check the registration fees, class hours and ECTS credits on the following link:

<http://www.uma.es/centrointernacionaldeespanol/>

The intensive Spanish Language Course is voluntary and you can only enroll in one of the two periods. If you decide to take the course, you have to select it on the online Application Form. After generating it on EMI, you will receive an email, directly from the Spanish school, with the Application Form and the application procedure. The Course is offered at the “CENTRO INTERNACIONAL DE ESPAÑOL”, language school located in El Palo, at the following address: CENTRO INTERNACIONAL DE ESPAÑOL Avenida de la Estación, s/n (El Palo) 29017 Malaga Telephone: +34 951 952738/737 Fax: +34 951 952 742 E-mail: cie@uma.es

### Student Assessment at UMA

The results obtained by students in each subject, which appear in the student’s record, receive a numerical mark from 0 to 10, with a decimal position, which can be followed by a qualitative mark:

	SPANISH SYSTEM	ECTS GRADING SCALE
-	Matrícula de Honor (MH)	Distinction
9.0 – 10	Sobresaliente (SOB)	Excellent
7.0-8.9	Notable (NOT)	Very good
5.0-6.9	Aprobado (APR)	Pass
0-4.9	Suspense (SUS)	Fail
-	No presentado (N.P.)	(Absent from exam)

Students may also be awarded an Excellent mark “with Distinction”, when the student has been given a 9.0 or higher. However, the number of students receiving this special mention cannot be higher than 5% of the total enrolled in a subject in an academic year. If this number is lower than 20, only one Excellent with Distinction may be awarded.

#### Useful academic information:

- Number of subjects: Spanish students normally take 5 subjects per term.
- Number of hours per week: Students spend 20-25 hours in lectures.
- Number of weeks per term: 15 weeks + 3 or 4 weeks for exams. 5 The academic year runs from September/October to June (in some cases early July) with exams offered in February for the first term courses and finals in late June and early July for annual and second term courses which test cumulative knowledge of the entire course.

## OUR CULTURE

- **Fiestas:** Several festivities are held in Malaga every year. The most famous and meaningful ones are La Feria de Agosto (August Fair) and Semana Santa (Eastern). However, there are other dates in which the city will be decked out and full of people: las Fiestas de San Juan, la fiesta de la Virgen del Carmen, Carnaval and fairs.
- **Gastronomy:** Andalusian gastronomy is based in the Mediterranean diet: local and fresh ingredients such as vegetables, fruit, fish and olive oil. Our cuisine, and our culture in general, is the result of a convergence of cultures. Romans, Arabs, Greeks, Phoenicians and Visigoths all contributed to the history of the Andalusian gastronomy. Tapas are small appetizers which are served in bars and restaurants throughout Spain and are sometimes included in the price of a drink. You can eat tapas that consist basically in anything, you can actually have a full meal with tapas! Meals are served later compared with the rest of Europe: breakfast is normally eaten between 7.30 and 10.30. Lunch is served from 14.00 to 16.00 and dinner from 20.00 and 23.00. However, most of restaurants adapt their times to the European norm and will serve food earlier.
