MULTI-VERSITY

May 23 - 27, 2022

It is with great pleasure that we invite you to attend the 8th edition of the International Week at Lucian Blaga University of Sibiu, between May 23 - 27, 2022.

iWeek 2022 is dedicated to the emergence of the university of the future, a “multi-versity” whose aim is to cultivate a network of transnational collaborations enabling the sharing of best practice protocols among academics.

For this edition, we have adopted a hybrid format accommodating both online and on-site meetings.

You are invited to iWeek to acquire a thorough understanding of new learning paths proposed by university alliances and networks worldwide.
