

Call for the International Summer Research Program 2019 University of Guanajuato

Students of partner higher education institutions are invited to participate in the International Summer Research Program to develop a research project. Students will join a UG professor-led group of 3 to 6 local and foreign students in order to develop a selected research project. This integral project will contemplate products of scientific, humanistic or technological research and the development of oriented educational as well as interaction with the environment products such as science dissemination, entrepreneurship, among others.

Requirements for students:

- a) Transcript of a higher education institution that demonstrates that the student has completed at least 60% of the academic program of the institution of origin and has at least a GPA of 9.0/10, or equivalent, without any pending subject.
- b) Proof of enrollment of the home institution and valid student ID.
- c) International Office Nomination letter of the home institution acknowledging that the student can perform in a different socio-cultural environment. The International Office is responsible for the evaluation and selection of students with outstanding profiles.
- d) Valid passport (with a minimum of 6 months validity from returning date)

Process of participation:

- Upload all the required documents as indicated by the University of Guanajuato International Office.
- The University of Guanajuato International Office will notify the students with respect to the acceptance in the program.
- The University of Guanajuato International Office will jointly assign a research project with the home institution.
- The students will develop a research proposal with their professor and the working team.
- The University of Guanajuato evaluation committee will approve or decline the research proposal (The result will be published on April 3rd).
- If the research proposal is accepted, the students will participate in a seven-week-program from June 17th to August 1st.
- Accepted students must acquire an International Medical Insurance policy that covers accidents and illnesses for the whole duration of their stay.
- Participants must complete their University of Guanajuato enrollment within the first 3 days of their stay.

Financial support:

Accepted students can apply for a \$ 15,000.00 MXN pesos financial support which availability will depend on the resources assigned to the program by the University of Guanajuato. In case a financial support is not granted, the student will need approximately \$ 15,000.00 MXN pesos for housing and meals expenses, in addition to airfare, and international medical insurance fees. Personal expenses are the sole responsibility of the student.

Academic outcomes:

- Development of a research plan, work report and prepare a presentation with their research team.
- Present the results at the Conference of the Summer of Science (August 1st).

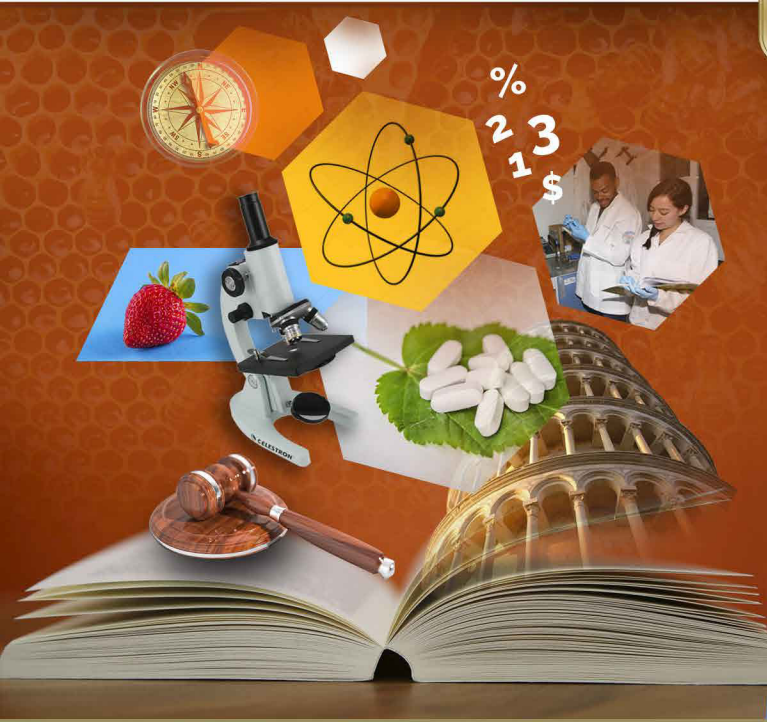

Process of Financial support (April 4th to 11th):

- Provide required information: name of the bank, branch address of the bank, SWIFT or ABA code, bank account number, beneficiary's name, beneficiary's address.
- Send an electronic copy of the signed receipt form to the email address provided by the University of Guanajuato.
- Present the original receipt at the enrollment meeting.

Enrollment at the University of Guanajuato as students of academic mobility:

The process of enrollment will be finalized upon the induction meeting held in the city of Guanajuato on June 14th. Students are required to pay for the University of Guanajuato Accident Insurance upon (costo del Seguro) arrival, submit the original receipt of the financial support, and hand in a copy of Migration Form.
