AN INTRODUCTION TO UNIVERSIDAD DE MALAGA

Universidad de Málaga is a young institution. This state-owned institution was founded in 1972 and has an annual budget exceeding 250 million Euros. With more than 35,000 students and 2,400 teachers, UMA’s study options comprises 60 Bachelor’s programmes, over 50 Master’s programmes, over 40 PhD programmes and around 100 courses held throughout the academic year. These programmes are carried out by 18 faculties, with a total of 81 departments.

There are 278 research groups currently involved in 180 national projects and 30 international or European projects. In recent years, the number of partnerships with companies and other organizations has ranged between 350 and 400; furthermore, an average of 50 patents per year have been registered, a third of these having international relevance.

Each year our university welcomes over 1300 new international exchange students from different mobility programs as Erasmus+, Erasmus Mundus or Non-European programs. We have a large amount of agreements with some of the most prestigious universities (especially in Europe and South America).

UMA constitutes one of the three vertices of the so-called “productive triangle” of the city, together with the airport and the PTA or Parque Tecnológico de Andalucía (Andalusia Science and Technology Park). The latter has close ties with the University due to the constant flow of ideas, highly qualified professionals and advanced technologies.

At present the UMA has two campuses, El Ejido and Teatinos, in addition to several other buildings located in different parts of the city. The ultimate objective of the policy of the university regarding infrastructure is to eventually have all university centres and services located in the Teatinos campus.

ARRIVAL IN MALAGA

Airport

For students arriving at the international airport “Pablo Ruiz Picasso” (only 12 Km from MALAGA), there are three ways for travelling into town.

- A taxi costs between 15/22 € and takes roughly 15 minutes to reach the city centre. The rank is located directly outside the arrivals terminal.

- There is a bus into town every 30 minutes, line A. A ticket costs 3.00 €. The stop is located directly outside the arrivals terminal.

- Trains leave the station connected by a pedestrian walkway to the departure terminal every 30 minutes, and a ticket to MALAGA costs 1.80 €.

Students are advised to carry some cash on them when they arrive in Malaga (50 € ought to be enough). Additionally, buses do not accept anything larger than 5.00 € bills.

Railway

Maria Zambrano Railway Station connects the city to the capital of Spain through the High-Speed line (AVE) Malaga-Cordoba-Madrid in a two-hour and a half journey. The Malaga-Cordoba-Seville route takes 1 hour and 55 minutes. Furthermore, the railway network connects the capital to other areas in Malaga located on the Costa del Sol, Valle del Guadalhorce, and the Airport through Malaga’s regional lines.

Bus Station

Malaga’s Bus Station establishes connections between the capital, Malaga’s municipalities, and the main Spanish and European cities. In addition, there is a Bus Station in Muelle Heredia, at the city centre near Malaga’s Port, which connects to several localities of the metropolitan area.
Arrival Dates

Students who wish to attend the Spanish Language Course:

- **First semester students**: 3rd September 2018
- **Second semester students**: 4th February 2019

Those Students who **do NOT attend** the Spanish Language Course should be in Malaga before the following dates at the very latest:

SPANISH LANGUAGE COURSE FOR INTERNATIONAL EXCHANGE STUDENTS
SPANISH LANGUAGE COURSE FOR INTERNATIONAL EXCHANGE STUDENTS

The “Course for Erasmus and International Exchange Students” of UMA, 70 class hours, allows students to consolidate and acquire Spanish skills, in order to improve understanding of the subjects that they will be studying at UMA.

This course is recognized as a non-official degree from UMA and it always starts at the beginning of September (first semester and full year students) and beginning of February (second semester students).

In this regard it is important to emphasize that, as a non-official degree, it grants ECTS credits that may be recognized by student’s home university, but it will NOT be included in the Transcript of Records because the course DOES NOT belong to any official degree program at UMA. The recognition of these credits depends on the home university criteria.

Please, check the registration fees, class hours and ECTS credits on the following link:
http://www.uma.es/centrointernacionaldeespanol/

The intensive Spanish Language Course is voluntary and you can only enroll in one of the two periods.

If you decide to take the course, you have to select it on the online Application Form. After generating it on EMI, you will receive an email, directly from the Spanish school, with the Application Form and the application procedure.

The Course is offered at the “CENTRO INTERNACIONAL DE ESPAÑOL”, language school located in El Palo, at the following address:

CENTRO INTERNACIONAL DE ESPAÑOL
Avenida de la Estación, s/n (El Palo) 29017 Malaga
Telephone: +34 951 952738/737
Fax: +34 951 952 742

ACADEMIC INFORMATION

ACADEMIC CALENDAR 2018-2019
This information will not be available until July 2018. Here you can access the official calendar for 2017/2018: https://www.uma.es/SECRETARIAGENERAL/secgenfiles/Calendario1718.pdf

There are differences among faculties regarding starting dates, schedules, timetables, exam calendars…

- To find the schedules and rooms of each faculty go to the main page and click “Conoce la UMA” on the main menu. Then click on “Centros”: www.uma.es/centros-listado/
- Choose your faculty
- You will find a different main menu and you have to select “Calendario” to find class schedules.

ACADEMIC PROGRAMME
The academic programme for the academic year 2018/2019 will be published after the 1st of July 2018. The academic offer of the last academic year 2017/2018 may serve as a useful guidance until 2018/2019 the new one is published on UMA website.

Once the academic programme is available, the pre-enrollment section will be activated and then students will be able to fill it in EMI. In this document, students should select those subjects in which they plan to enroll at UMA.

Details about academic courses offered at UMA are available online. It is quite easy to find the necessary information if you follow these instructions:

- To find the description of each course go to the main page and click “Servicios” on the main menu and choose “Ordenación Académica”. After that, you have to click on “Programación Docente” (right row):
- Choose “Programación Docente de Títulos de Grado”. (Here in after PROA)
- Now that you have found PROA, you have to choose your faculty, bachelor degree name and year (curso). Depending on your selection, you will find a different list of subjects.
- Select the subject on the left (in red color) and click on “Consultar la guía docente de la asignatura” on the left.

Different groups will be included on timetables. Students will be able to choose the group that suits them better, but it is important that they inform their professors in order to decide which group to attend.
Lectures in English

There are only a few courses offered in English and these are quite demanded. There is a limit of 25 exchange students per course and UMA cannot guarantee that courses taught in English will be available for every exchange student. Here you can find our courses taught in English for the academic year 2017/2018 (the offer for 18/19 will not be available until July):

Please, notice that in the mentioned list we include the name of the courses in English but also translated into Spanish. When you select them on EMI, you will find those courses only named in Spanish.

Postgraduate Studies

For Postgraduate Studies (Masters and Doctorates) at UMA, this will ONLY be possible for Exchange students if this option is included in the Bilateral Agreement.

Restrictions and rules established by UMA

- Non-European Students are allowed to study subjects from different faculties.
- Erasmus and Latin American Students, however, are obliged to choose, at least, 50% of the subjects relative to the Field of Study included in the Erasmus Bilateral Agreement signed between institutions (undergraduate and postgraduate level courses). Any doubts should be clarified at the home university before the selection of candidates. Students who do not fulfil this requirement will NOT BE ACCEPTED.
- Due to the Bologna Plan, the Lectures have limited places. Please, consider different options in order to have more possibilities.
- For Medicine students: it will not be possible to enroll in any course of 6th Year.
- Incoming foreign students who are going to carry out external internships in hospitals, schools, etc., must bring from the countries where they are nationals (if they have dual citizenship, from both countries), a negative certificate from the Central Registry of Sexual Offenders, or a criminal record, and failing that, a consular certificate of good standing.
LEARNING AGREEMENT

(For Erasmus Students ONLY)

Before the arrival:

Some universities require this document before the arrival of the student. Therefore, those who need the Learning Agreement signed before arriving to Malaga, should contact directly the Faculty Coordinator at UMA where they have been nominated.

Please find below a list of faculty coordinators:

https://www.uma.es/relaciones-internacionales/cms/base/ver/basebasecontent/105836/coordinadores-de-movilidad/

Attention: Any Learning Agreement signed before the selection of courses in our Online Incoming Student Platform (EMI) will be provisional since the Academic Program 2018/2019 won’t be approved until July.

Please do not send by post or email the original version of the Learning Agreement from home universities to the International Office since only academic coordinators or faculty coordinators (from host and home institutions) will be able to sign it.

To avoid academic issues, those Erasmus+ students who want to choose any Practicum through Erasmus+ studies in Medicine, Health Science or Fine Arts (full year, first semester and second semester students) are obliged to send the Learning Agreement (EMI version) to the respective faculty coordinator of UMA before the 15th of July.

Before the departure:

The Learning Agreement should be signed and updated by the academic coordinator before leaving UMA.
LANGUAGE PROFICIENCY
We do not require any certification or a determinate level of language, although students are expected to be able to follow lectures in Spanish. In accordance with the Common European Framework of Reference for Languages, a B1 Spanish level is advisable.

Subjects at UMA are taught in Spanish. Therefore, those students who do not speak Spanish usually have difficulties in finding the appropriate courses and to speak out during their stay in Malaga.

Note: Special mention to the students from Health Sciences for the face-to-face communication with the patients.

CREDITS AND GRADING SYSTEM AT UMA
The European Commission has developed the European Credit Transfer System (ECTS) to help students make the most of their studies abroad. Basically, this system is a way of measuring and comparing learning achievements and transferring them from one institution to another. Likewise, it helps higher education institutions to enhance their co-operation with other institutions by improving access to information on foreign curricula and providing common procedures for academic recognition.

ECTS credits are a value allocated to modules to describe the student workload required to complete them. They reflect the quantity of work each course requires in relation to the total quantity of work required to complete a full year of academic study at the institution, that is, lectures, practical work, seminars, private work – in the laboratory, library or at home – and examinations or other assessment activities.

UMA has introduced the ECTS into all its faculties and schools. With this system 60 credits represent one year of study (in terms of workload); normally 30 credits are awarded every six months (a semester).

Maximum credits permitted
In accordance with the European Commission and the new System of European Credit Transfer, exchange students accepted by UMA are obliged to take NO MORE than 60 credits for a full year and 30 credits for one semester.

- 30 ECTS credits for one semester.
- 60 ECTS credits for a full year.

Note: As an exception UMA offers you the flexibility to slightly increase this amount and allows taking in the enrollment 36 (one semester) and 66 (full year) credits in those cases where it is necessary.

Minimum credits permitted
Erasmus Student
- 1 course per semester.

Non Erasmus Student
- 18 ECTS credits for one semester.
- 36 ECTS credits for a full year.
ACADEMIC INFORMATION OF USE TO PARTICIPANTS

- Number of subjects: Spanish students normally take 5 subjects per term.
- Number of hours per week: Students spend 20-25 hours in lectures.
- Number of weeks per term: 15 weeks + 3 or 4 weeks for exams.

The academic year runs from September/October to June (in some cases early July) with exams offered in February for the first term courses and finals in late June and early July for annual and second term courses which test cumulative knowledge of the entire course.

GRADING SYSTEM

The grading system used by Spanish universities is based on specific attainment levels, rather than on a numerical scale. Notice that the grade "Matrícula de Honor" is rarely given.

UMA SERVICES

ACCOMMODATION
Renting a room in an apartment shared with other students is the most popular way of living in Malaga. This option has reached a satisfaction of over 81% of the incoming students in the last final evaluation. There are a large number of apartments available for rent, which are located in different parts of the city, and it usually does not take much time to find one.

- UMA does not book accommodation for students, but it assists them in finding a room or apartment through its Welcome to UMA Office completely FREE OF CHARGE. You just have to contact Welcome to UMA and consult the accommodation offer.

Contact details of Welcome to UMA:
Webpage: https://www.uma.es/welcome
Email: accommodationuma@uma.es

We recommend those students, who have not booked any definitive accommodation prior to their arrival, to find provisional accommodation for a few days...

Other options:
- CIE (Centro Internacional de Español) will help those students who will attend the Spanish course with accommodation. Please contact them at cie@uma.es.
- The ESN Office (Erasmus Student Network) would be another option. Please contact them at esn.malaga@gmail.com.
- There are also several Dormitories, but unlike in many other countries, this option is not so popular among the exchange students. They usually offer meals, laundry, cleaning and other services, but at the same time are more expensive. Ask the Accommodation Office for further details.
  Webpage: http://www.uma.es/alojamiento/
  Email: alojamiento@uma.es

As another option you can also look for an accommodation with a Spanish family. This might be especially beneficial for those students, who wish to practice their Spanish language.

When looking for an accommodation you may certainly also use other resources, such as internet research or personal acquaintances.

ERASMUS STUDENT NETWORK (ESN) – MALAGA
ESN is a very well-known and non-profit organization in Europe and works with the University of Malaga to guarantee its authenticity and trust. ESN organizes activities and offers help to international students in Malaga (even with accommodation issues).
