## Invitation to the first International Week at the University of Passau

Dear colleagues,

It is my great pleasure to inform you that the University of Passau is going to hold its first International Week in May 2018! The International Week will be held **from 14 to 18 May**. With this letter we are inviting colleagues from selected partner universities to participate in our International Week. We look forward to meeting you and to getting to know you!

Take the chance to immerse yourself in the ambience of one of Germany's loveliest university campuses. Get to know our open-minded students and staff and explore the beautiful Old Town of Passau, also known as the 'Bavarian Venice'. During these five days you will be introduced to the University of Passau and its study programmes as well as the International Office and AEGEE, the European Students' Forum. Please find the preliminary programme enclosed. The event will include lectures, workshops as well as opportunities to network, benchmark and exchange ideas with colleagues from all over the world. Naturally, there will also be a cultural programme and time to discover the city and its beautiful surroundings.

You should have received an e-mail with find further information on the application process. If you have not received the e-mail or have any further questions, please don't hesitate to contact the International Office Team. I look forward to seeing you in Passau!

With kind regards,
