

Resolution of May 30, 2024, from the Vice-Rectorate for Research and Scientific Outreach at the University of Malaga, announcing the opening of the application period within the framework of the II Plan for Research, Transfer, and Outreach for stays of renowned researchers from the Palestinian scientific community at the University of Malaga¹

The Office of the Vice-Rector, in line with the measures established by our university to collaborate with the population of Palestine and, in particular, with its university community concerning the severe situation in Gaza, and in accordance with the commitment to intensify cooperation with the Palestinian scientific and higher education system as stated in the AUPA Communications on the conflict in Palestine, dated May 9 and 28, 2024, has agreed on the following:

FIRST.- The purpose of this call will be the funding of stays for renowned researchers from Palestinian universities at the University of Malaga.

SECOND.- To open a period for submitting applications from June 1 to June 30, 2024. Applications, in the standardized format, shall be submitted through the Electronic Registry of the University of Malaga.

THIRD.- The maximum period for the stay will be six months.

FOURTH.- The funding to be received will be that established in Aid D.3. of the IIPPITD, prorated according to the duration of the stay.

FIFTH.- Applications will be evaluated based on the curriculum vitae of the visiting researcher, the scientific activity to be carried out during the stay, and the potential interest of this activity to the research group and the scientific policy of the university itself.

All information regarding the call is available at [this link](#).

Antonio J. Morales Siles

Vicerrector de Investigación y Divulgación Científica
