

# STUDY AT UMA | What is your situation?

## Exchange programmes - bilateral agreement (Erasmus, ISEP, etc.)

The conditions will depend on the different agreements or programmes. Ask for more information on this website.

[www.uma.es/relacionesinternacionales](http://www.uma.es/relacionesinternacionales)

## Secondary Education from EU and Switzerland

Apply to the UNED (Open University of Spain) for the credentials and fulfil the pre-registration form.

[www.uned.es](http://www.uned.es)

## Secondary Education from other countries

Apply to the Spanish Ministry of Education for the recognition of your secondary school diplomas.

[www.educacion.gob.es](http://www.educacion.gob.es)

Take the University Entrance Examinations at the UNED and fulfil the corresponding pre-registration form.

[www.uned.es](http://www.uned.es)

## Completion of studies at UMA

You need a certificate of having passed a minimum of 30 credits in your university.

You need an intermediate level of Spanish skills.

In case you don't have this level, you can first take a course in the **International Centre for Spanish** and get a maximum of 18 credits.

## Master's Degree studies

You need a Bachelor's Degree Diploma or equivalent.

[www.posgrado.uma.es](http://www.posgrado.uma.es)

Apply to this website: <http://www.juntadeandalucia.es/innovacioncienciayempresa/sguit/>

## UNDERGRADUATE STUDIES

### ENGINEERING AND ARCHITECTURE

#### SCHOOL OF INDUSTRIAL ENGINEERING

- ▼ Electrical Engineering
- ▼ Industrial Design and Product Development Engineering
- ▼ Industrial Electronics Engineering
- ▼ Mechanical Engineering
- ▼ Industrial Organization Engineering (joint degree by the Universities of Malaga and Seville)
- ▼ Industrial Technology Engineering
- ▼ Electronics, Robotics, and Mechatronics Engineering (joint degree by the Universities of Malaga and Seville)
- ▼ Energy Engineering (joint degree by the Universities of Malaga and Seville)

#### SCHOOL OF ARCHITECTURE

- ▼ Architecture

#### SCHOOL OF TELECOMMUNICATION ENGINEERING

- ▼ Electronic Systems Engineering
- ▼ Sound and Image Engineering
- ▼ Telecommunication Systems Engineering
- ▼ Telecommunication Technology Engineering
- ▼ Telematic Engineering

### SCHOOL OF COMPUTER ENGINEERING

- ▼ Computer Engineering
- ▼ Computer Science Engineering
- ▼ Health Engineering (joint degree by the Universities of Malaga and Seville)
- ▼ Software Engineering

### HEALTH SCIENCES

#### SCHOOL OF HEALTH SCIENCES

- ▼ Nursing
- ▼ Occupational Therapy
- ▼ Physiotherapy
- ▼ Podiatry

#### SCHOOL OF MEDICINE

- ▼ Medicine

#### SCHOOL OF PSYCHOLOGY

- ▼ Psychology
- ▼ Speech Therapy

### SCIENCES

#### SCHOOL OF SCIENCES

- ▼ Biochemistry (joint degree by the Universities of Malaga and Seville)
- ▼ Biology
- ▼ Chemical Engineering
- ▼ Chemistry
- ▼ Environmental Sciences
- ▼ Mathematics

### ARTS AND HUMANITIES

#### SCHOOL OF FINE ARTS

- ▼ Fine Arts

#### SCHOOL OF HUMANITIES

- ▼ Art History
- ▼ Classic Philology
- ▼ English Studies
- ▼ Geography and Territorial Management
- ▼ Hispanic Studies
- ▼ History
- ▼ Philosophy
- ▼ Translation and Interpretation

### LEGAL AND SOCIAL SCIENCES

#### SCHOOL OF COMMUNICATION

- ▼ Advertising and Public Relations
- ▼ Audiovisual Communication
- ▼ Journalism

#### SCHOOL OF EDUCATION

- ▼ Elementary Education
- ▼ Pedagogy
- ▼ Pre-Elementary Education
- ▼ Social Education
