

BASIC GUIDE FOR ACTION AGAINST CORONAVIRUS

1. In the event that a person from the university community shows symptoms of possible coronavirus infection while at the University of Malaga, he/she should

a.- Report it immediately to the Health Prevention Service of the University:

-Phones: **952 132 195; 952 132 299; 952 137 061; 952 136 631**

-Email: **coronavirus@uma.es**

b.- Go immediately to his/her home

c.- Contact the Health Response telephone numbers (955 545 060; 900 400 061), and follow the instructions of the Public Health Services

2. In the event that the person shows these symptoms while at home or outside the University, he/she must:

a.- Stay or go home.

b.- Report it immediately to the Health Prevention Service of the University:

-Phones: **952 132 195; 952 132 299; 952 137 061; 952 136 631**

- Email: **coronavirus@uma.es**

c.- Contact the Health Response telephone numbers (955 545 060; 900 400 061), and follow the instructions of the Public Health Services

3. If any member of the university community is included in any at-risk group he/she can contact the Health Prevention Service of the University through the aforementioned telephone numbers or email
