*Prevention

Most Frequent Crimes against foreigners

- * Surely, the most repeated crime in Malaga, which victims are foreigners is Petty Larceny.
- * The limit between Grand and Petty Larceny in Spain is 400€ (without violence neither intimidation)
- * Cellphones and wallets are the most stolen objects.

* Petty Larceny / Pickpockets

Petty Larcenies / Pickpockets Prevention Tips

- Don't let strangers get close.
- Carry only small amount of cash.
- Don't leave your mobile phone over the table in restaurants.
- Don't leave your stuff out of sight (e.g. bags in pub / club...; specially in the beach while you are swimming)
- Don't keep expensive stuff in you backpack.
- Distrust people selling flowers on the street.
- Distrust people who beg for restaurants.
- Increase these preventive measures if you're drunk; Thieves will take advantage of your state to rob you.

Petty Larcenies / Pickpockets Most Frequent Areas

- All downtown District
- Beaches (Malagueta, Misericordia)
- Seafront, Grass zone
- Alcazaba (arab fortress palace)
- Gibralfaro Castle
- Any crowded place

- * Alcohol Limits & Penalties when **driving** in Spain.
- * In **Spain** the maximum legally permitted alcohol limit is in general 0.25mg/l (or 0.15mg/l if you are a learner **driver**/professional **driver**). Fines 500€/1000€.
- * If the amount of alcohol exceeds 0,60 mg/l limit the driver will be arrested, because this is a penal crime.

* **Drink Driving**

*Coexistence
