International Day of University Sport

Launched in 2016 and officially proclaimed by UNESCO, the **International Day of University Sport** on 20 September does more than drive general awareness of FISU's work. It also creates links between universities and their local communities, focused around sport, physical activity and healthy living.

FISU Festival

The FISU Festival, as a part of IDUS, is a meeting between students and citizens through sport.
The event is dedicated to the sport for all.
