*“Dear participants,
Thank you very much again for your interest in the 4th Forum of Rectors and Presidents of Russian and Ibero-American Universities.
As the conference date is approaching, we would like to update you with some information on the Networking session and Agreements signing ceremonies.*

Networking session (15:30-17:30. Thursday 17th of October 2019)

Aim

The objective of this 2-hours session is to create opportunities to establish and/or strengthen collaborations between participating universities.

Organization

The session will take place at room "Royal" (Salon Real) in Hotel Alfonso XIII (next to the Rectorate of the University of Seville). One fixed round table with capacity for eight seated people will be available for each Russian University. The rest of representatives will rotate according to the scheduled meetings. A chronogram of meetings will be available nearer the conference date, and displayed in the networking room.

Logo of Russian Universities

On each table, a panel with name and logo will identify each Russian Universities during the networking session. For this purpose, we kindly request that each Russian University sends us a high quality logo to forumsecretariat@us.es before October 7th, 2019.

How to join

If you wish to participate in the networking session, please complete the form available at <https://congreso.us.es/fourthforusibero/en/registration/join-networking-session>.

Please fill up just one form per participating institution.

During the registration process, basic information about the University, as well as the contact persons, will be requested. This information will be gathered in one handbook, and given to all participants for its use during the session. On the other hand, you will be requested to select the institutions that you want to meet during the session. This information will not be displayed in the handbook, but used to organize the meeting during the networking session.

Deadline

The deadline for registering in the networking session is Monday the 7th of October of 2019. Once you register, you may edit the information included, as well as the matching universities, until this deadline.

SECTION III

Please, translate into English the following text:

“Tres millones y medio de euros es la financiación que el Servicio Español para la Internacionalización de la Educación (SEPIE), agencia que gestiona los fondos del programa Erasmus+ en España, ha asignado inicialmente a la Universidad de Málaga, para realizar movilizaciones internacionales de estudiantes, profesores y personal de administración y servicios en el curso 2019/2020, un millón de euros más que el año pasado.

De esta cantidad, 2.100.050 euros serán para movilizaciones en los países del programa Erasmus+ (acción KA103) y 1.409.010 euros para movilizaciones a países asociados (acción KA107). En esta última acción, de 4 años de existencia y donde la financiación se adjudica en una convocatoria competitiva a nivel nacional, la UMA se ha situado en la tercera posición en el ranking de universidades mejor financiadas de España, obteniendo este año un total de 391 movilizaciones con 37 países.

Con esta financiación se espera conceder becas de movilidad a los más de 1.100 alumnos que el año que viene se moverán en el marco del programa Erasmus+ para realizar estudios en otras universidades fuera de España. Además, unos 80 estudiantes realizarán prácticas internacionales en Europa y cerca de 300 profesores y personal de administración y servicios”.
