With drooping wings

Purcell

soft, soft, soft, soft

and and and

as gentle as her heart.

Keep here
With drooping wings

your watch and never never
never
never
here, here, here, here, here, here, here.
never your watch and never never
never

Here your watch keep here, keep here keep here keep here keep here keep here, here.
never your watch and never never
never never
never

Here your watch keep here, keep here keep here keep here keep here keep here, here.
never your watch and never never
never never
never

Here your watch keep here, keep here keep here keep here keep here keep here, here.
never your watch and never never
never never
never

Your watch and never never
never
never

Your watch and never never
never never
never never
